VPK Provider

Our Vision:

At Maitland Community Preschool we believe that each child is uniquely created by God. The purpose of our preschool is to help children grow spiritually, intellectually, socially, emotionally, and physically. We believe parents should be the primary teachers of their children, therefore our role is to support and encourage parents in the nurture and training of their children. We believe that children learn best in a loving, caring environment where they may experience the awe and wonder of God's world through hands-on, developmentally appropriate activities.

As Maitland Community Preschool is a ministry of Orangewood Presbyterian Church, we support the Children's Ministries mission and vision statements of teaching children to:

- Know God
- Know God's Word
- Understand God's grace through Christ Jesus
- Worship God in spirit and truth
- Share Christ with others both near and far
- Gain a Biblical world and life view
