Please note your assigned time in this schedule. Check your calendar now for this activity that takes about an hour (each day). <b>If you cannot make your assigned date, you must switch with another man on the list &amp; notify your captain. Occasionally, days and times may vary due to church functions such as weddings, seminars, etc. In cases where the reminder postcard differs from this schedule, the reminder postcard is correct.</b>  Thank you for your service! It is quicker for everyone when all are working together!
